Commercial Offer

Chief General Manager
Traffic Manager
Purchasing Manager

Dear Sirs,

We would like to offer you examining our offer to supply ZPU 2.2 mm security seal which is a universal device designed for reliable protection of vans, shipping containers, delivery trucks, goods being under bond, as well as various economic entities having sealing holes with diameter from 2.5 to 6.0 mm.

ZPU 2,2 mm

Technical Characteristics:

Wire rope length	500 - 1,500 mm
Wire rope diameter	2.2 mm
Mass	60 – 80 g
Breakup withstand load	min. 350 kg f.
Time of assembly	max. 10 sec.
Sequential number	Seven-digit
Assembly	Manually
Removal	By wire rope cutter
Placing the logotype	By ordering more than 5,000 pieces

ZPU got through criminal and firefighter technical examination of the Ukrainian Ministry of Internal Affairs, protected by the Ukrainian patent No.292. Certification test and conformity certificate No. UA 1.097.08670-01 dated April 18th, 2001 prove compliance of ZPU with requirements of technical conditions and reliability.

The cost of ZPU 2.2 mm security seal depends upon the volume of non-recurrent supply.

On the customer's requirements' basis our company is able to offer you the range of modern security seals corresponding to the world standards, as well as to give consultations as to the problems interesting for you.

We invite you for cooperation!
